

# **WORK SAFE, WORK SMART...**

## **Eliminate unnecessary trips and traffic in your yard with the Lumber Buddy™ EZ Strap™ Forklift Mounted Dispenser**

The EZ Strap™ Forklift Mounted Dispenser saves time, money and fuel by eliminating unnecessary trips to stationary banding areas. You have everything you need to strap your load wherever you are working!

**LBEZSD-FM1** is configured to hold one coil of 5/8" or 3/4" strap. (photo to left)

**LBEZSD-FM2** is configured to hold up to four coils of 1-1/2" strap. (photo to right)

**LBEZSD-FMC** is a combo dispenser configured to hold one 5/8" or 3/4" coil as well as one 1-1/4" or 1-1/2" coil of strap.

**All FM series of dispensers may also be wall mounted on t-sheds or warehouse walls. This frees up floor space and provides for a more efficient strapping system.**

Lumber Buddy™ also has a heavy duty dispenser that will mount on your Lumber Buddy™ Portable Workstation.
