

Save on fuel costs by eliminating unnecessary trips across your yard!

Lumber Buddy™ Portable Workstations go where the work is!

Affordable The standard 8' Lumber Buddy™ Portable Workstation is priced at only \$1,755.00. That is only \$5.00 a day over the course of a year – less than \$1.00 a day over the five year + life span of most Lumber Buddy workstations.

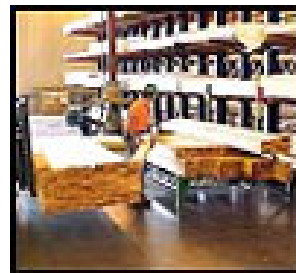

Maximize your space and time!
By eliminating trips back and forth to old stationary pull racks, you'll save both time and fuel.

Built to Last The Lumber Buddy™ Portable Workstation is built to last. Rated at 10,000 lbs., the Lumber Buddy's all steel construction will hold up to the heavy workloads in the lumber industry.

Proven Lumber Buddy's are currently at work in 46 states and 6 Canadian Provinces, Lumber Buddy has been proven in all sizes of yards and all types of weather conditions.
